INDOOR CABIN SAUNA

Dundalk Collection • Specs & Dimensions

Specifications

Seats 2-6 | Indoor | Electric heater

TECHNICAL

Wood: Solid Single Stave Wood Bevels

Window: Single Pane 5mm Glass

WARRANTY

Saunas - 5 year limited warranty against defects in materials or workmanship

Heaters - varies for each heater model

What You Need

SAUNA BASE

A reasonably level concrete or tile floor. Do not locate over a moisture sensitive surface such as hardwood or engineered flooring.

ELECTRICAL

Electrician - Final Electrical hookups must be completed by a certified electrician to ensure proper installation and compliance with local codes. This is essential for safety, performance, and warranty validation.

Requires 240v and 30-50 amp depending on the heater.
