## What You Need

### SAUNA BASE

Ensure the base of your sauna is level. A solid base for your sauna is recommended and can be made from the following:

**Concrete Pad** **Wood Deck** **Patio Stone** **Crushed Stones**

### ELECTRICAL

**Electrician** - Final Electrical hookups must be completed by a certified electrician to ensure proper installation and compliance with local codes. This is essential for safety, performance, and warranty validation.

**Requires 240v and 30-50 amp depending on the heater.**
