What You Need

SAUNA BASE

Ensure the base of your sauna is level. A solid base for your sauna is recommended and can be made from the following:

Concrete Pad **Wood Deck** **Patio Stone** **Crushed Stones**

ELECTRICAL

Electrician - Final Electrical hookups must be completed by a certified electrician to ensure proper installation and compliance with local codes. This is essential for safety, performance, and warranty validation.

Requires 240v and 30-50 amp depending on the heater.
